CONFLICT OF INTEREST POLICY

Article I
Purpose

The purpose of the conflict of interest policy is to protect the interests of this tax-exempt organization (the Iron League of Chicago, or the “Organization”), when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or director of the Organization or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

Article II
Definitions

1. Interested Person
Any director, principal officer, or member of a committee with governing board delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.

2. Financial Interest
A person has a financial interest if the person has, directly or indirectly, through business, investment or family:
   a. An ownership or investment interest in any entity with which the Organization has a transaction or arrangement,
   b. A compensation arrangement with any entity or individual with which the Organization has a transaction or arrangement, or
   c. A proposal ownership or investment interest in, or compensation agreement with, any entity or individual with which the Organization is negotiating a transaction or arrangement. Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.

A financial interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.
